28 September 1959

MEMORANDUM FOR: Chief, Document Division (DD)

SUBJECT: Committee on Exploitation Meeting, 16 October 1959

1. At its regular meeting Friday, 16 October 1959, the Committee on Exploitation of Foreign Language Publications will review the non-scientific program on the USSR.

2. Any comments regarding this program should be submitted at least three working days before the meeting. Comments might include the following:

- a. Priority subjects not now covered.
- b. Suggested modification in the treatment of subjects now covered.
- c. Examples of exceptionally high quality exploitation.

3. Please indicate whether your comments are directly related to the work of your division or are offered in behalf of the intelligence community in general.

4. If you do not wish to comment on the non-scientific USSR program, please notify the undersigned by phone call on extension 4350.
